

## HAND AND FOOTPRINT REINDEER CHRISTMAS DECORATION

### STEP 1

Use the paintbrush to paint the bottom of your foot in brown paint. (Don't paint your toes)  
Place your foot onto the plain paper to create a footprint.

#### YOU WILL NEED:

- \*Brown, Orange and Red paint
- \*Plain Paper
- \*Paintbrush
- \*Scissors
- \*Glue
- \*Googly eyes
- \*An adult to help you as painty feet can be messy and slippery!

### STEP 2

Use the paintbrush and paint both hands in orange paint.  
Place your hands onto the paper to create 2 handprints.

### STEP 3

Once your prints are dry, you can then cut them out and glue them together to create the head of a reindeer.

### STEP 4

Decorate your reindeer with googly eyes, use the red paint to create a big shiny red nose!

### WHY NOT

Get everyone in your family to make their own Reindeer decoration.  
Attach to everyones bedroom door so that Santa will know where you are all sleeping, so he can fill your stocking- Ho Ho Ho!
